Angga Dwi Kurniawan

Undergraduate Informatics Student University of Jember | Software Engineer

Kota Probolinggo, Jawa Timur, Indonesia

Ringkasan

Angga is an Informatics student with a passion for Web Development. He has skills in creating and designing databases using MySQL and developing Frontend using the ReactJS framework.

From past to present, Angga has managed web-based software development projects required by his organization and has learned the importance of collaboration to achieve project goals.

Angga is seeking an internship opportunity at a company to enhance his experience and learn new skills from professionals.
